Help Save Medicaid

Are you covered by Medicaid? Do you have a loved one on Medicaid? Do you serve Medicaid patients? Then we need your help...

Many of your fellow Georgians don't understand the impact Medicaid has not only on their neighbors but on themselves. This is an effort to put a face on the word "Medicaid." People need to know that the decision to cut Medicaid affects real people with real problems and real lives. This is your chance to make an impact on health policy in Georgia. Use your voice!

1. Print this sign
2. Ask someone to take a picture of you holding the top half of the sheet.
3. Post this picture on your social media accounts (Twitter, Facebook, Instagram) with the hashtag **#IamMedicaidGA**, a sentence or two about what Medicaid means to you, and where you live.
4. Share your sign with others and ask them to join the campaign!
